Who can become a member?

MHR offers both governing membership and associate membership to organisations who share our vision and values.

Governing membership is open to not-for-profit/non-governmental organisations with the exception of unions, professional associations, training and education bodies and non-governmental organisations who provide inpatient mental health services and/or approved centre(s).

Associate membership is open to all non-governmental organisations who are committed to the implementation of A Vision for Change, including unions, professional associations, training and education bodies and those who provide inpatient mental health services and/or approved centres. While associate Members do not participate in the Board structures of MHR and do not have voting rights at Annual General Meetings, their participation is an integral part of the movement to improve mental health services in Ireland.

Statutory bodies or organisations established by or within statutory bodies, local authorities, governmental agencies and state entities are not eligible for membership of MHR.
